GOALS FOR STUDENT ACHIEVEMENT

Mission

As a comprehensive health sciences center, our mission is to enrich the lives of others by educating students to become collaborative healthcare professionals, providing excellent patient care, and advancing knowledge through innovative research.

TTU System Strategic Priority

Increase Enrollment and Promote Student Success

We will grow and diversify our student population in order to improve higher education participation and supply a well-equipped, educated workforce for the state of Texas.

TTUHSC Goal

TTUHSC will foster the development of competent healthcare professionals and biomedical researchers.

ON-TIME GRADUATION RATES

To calculate on-time graduation rates, TTUHSC students are assigned to expected graduation cohorts based on the first academic period for which a student enrolls in credit hours toward a degree program. For purposes of comparison at an institutional level, students are expected to graduate within a specified number of years based on the level of degree sought.

- Students seeking undergraduate degrees from TTUHSC are expected to graduate within 4 years of matriculation at TTUHSC.
- Students seeking masters' degrees from TTUHSC are expected to graduate within 5 years of matriculation at TTUHSC.
- Students seeking doctoral (including professional) degrees from TTUHSC are expected to graduate within 10 years of matriculation at TTUHSC.

The overall TTUHSC graduation rate in 2016 was 89.6%. This compares to 89.1% in 2015.
