VBSN Student (printed name and rank)

I am applying for admission to the Texas Tech University Health Sciences Center (TTUHSC) Veteran to BSN (VBSN) track which will allow me to complete all degree requirements to earn a Bachelor of Science in Nursing in a continuous 12-month period. The awarding of a BSN will allow me to take the NCLEX-RN licensing exam to become a RN. The VBSN track admits only one time/year; beginning with the spring term in January and ending at completion of the fall term in December. It is the VBSN student’s responsibility to meet all VBSN course requirements, complete clinical hours, and the required Military training hours.
