

Our Values Pledge

We are on a journey to create a values-based culture at Texas Tech University Health Sciences Center. The marketing and communications team developed a TTUHSC compass rose lapel pin to symbolize our journey. The pin is available for all HSC team members who choose to take a pledge and commit to Our Values-based Culture.

To receive your lapel pin. Please sign the pledge below and bring it to your local HR team.

- I pledge to hold myself accountable to live our values every day.
- I pledge to allow others to hold me accountable to live our values.
- I pledge to hold others accountable to live our values.
- I will conscientiously work hard to recognize and celebrate others who live our values.
