

KARSYN HUNT

Texas Tech University Health Sciences Center
School of Nursing

BECAUSE YOU GAVE...

I would like to express my greatest and deepest thanks for providing me with this scholarship. This award brings me such relief and peace of mind for the future. At the beginning of this semester, I was under the belief that I would not be able to continue my education because I could not afford it. Because of this wonderful gift, I can now confidently say that I will be able to continue in this amazing program.

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly help me achieve my goal to become an exceptional nurse. Throughout college, I have been required to support myself financially because my parents simply do not have the funds to help me. This scholarship helps relieve financial stress and allows me to focus more energy on my studies rather than stressing over having enough hours at work.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the incredible reputation and ranking of the nursing program. The university produces the highest quality of nurses, and that is the type of excellence I strive to reflect. I also have always felt a sense of home and belonging in Lubbock and in being a Red Raider.
